At the present, I am the director of Central Special Education Center in Bangkok, government organization in jurisdiction of Office of Basic Education Commission, Ministry of Education. The main responsibility is working for special needs children in Bangkok, support Early Intervention teachers and disciplinary team at the Center and community based rehabilitation, support assistive technology for all SEN, inclusive education and non-formal education. At the same time, I was involved with a committee to create the policies, plans and systems to promote education for people with disabilities (visual impairment, hearing impairment, intellectual impairment, physical disabilities, behavior/emotional disorder, learning disabilities, speech & language disorder, autistic child and multiple disabilities) in Thailand. I was a lecturer in Graduate classes at Khonkaen University. I received the honor of being chosen as an expert in curriculum, administration education and special education more than 50 researches from 12 Universities in Thailand.

In addition, in 1994, I established The Foundation for Ubonratchathani Children with Disabilities to encourage SEN all of Northeastern Thailand. In 2005, I established Special Education Research Association: SEDRA. And held the position of president.
